2004-05	7,770	9.0%	8,670	9.0%	20,958	7.6%
2005-06	8,235	6.0%	8,931	3.0%	22,170	5.8%
Avg Annual rate of increase, 1995-2006:		8.77%		7.61%		8.69%

In FY 2003 a two-tiered system was implemented that distinguished between new and returning undergraduate and medical students for tuition assessment purposes. It will phase out in FY08 when the majority of students will have entered as Tier II students. All tuition amounts shown above reflect the Tier II rates paid by entering students.
